**STIPULATION**

Plaintiff, United States of America, by and through its counsel, Assistant United States Attorney David Spencer, and defendant, Aaron Iribé, by and through his counsel, Jennifer Mouzis, hereby stipulate that Mr. Iribé may, with the permission of his pre-trial services officer, and pursuant to such conditions as required by his pre-trial services officer, travel to Los Angeles County, California between the dates of February 18, 2022 and February 20, 2022 to visit family, attend a Quinceañera and get glasses. It is further stipulated that Mr. Iribé must check in with his pre-trial services officer, provide the name and address and phone number for the eye glasses and for the Quinceañera, and provide the location where he will be staying as required by his pre-trial services officer.

1 Pretrial services reports that Mr. Iribе has remained in compliance with all of the  
2 conditions of release including the location monitoring program restrictions, and respectfully  
3 defers to the Court regarding his request to remain away from his residence over-night.  
4

5 The government does not object to this request given that the Pretrial Services Officer  
6 approves of the travel to the Central District of California. The government also does not object  
7 to Mr. Iribе staying away from his residence overnight given the length of travel from his  
8 residence to Los Angeles County.

9 The Defendant's last appearance on this case was January 12, 2022, where Defendant  
10 was telephonically present for his 2<sup>nd</sup> BCCP Hearing (ECF 36). The Defendant's next  
11 appearance is February 16, 2022 where he is to appear telephonically for his 3<sup>rd</sup> BCCP Hearing.

12 Accordingly, the parties respectfully request the Court adopt this proposed stipulation.  
13 IT IS SO STIPULATED.
